Gentlemen:

I recently closed on the sale of my business, and I wanted to comment on the professional service I received from one of your agents.

In short, John Simmons has been "a prince of a fellow". Without his encouragement, I would not have "stayed the course" in finding the right buyer for my type of business (a public accounting firm). Also, he would not bring in a prospective buyer who did not have the credentials (experience and money) to effect a successful continuation of the business, which was one of my main concerns. When I did have a viable contract, his negotiation skills were invaluable in creating a situation where both buyer and seller are completely satisfied: a good deal for both.

Thanks also to Jennifer for her telephone courtesies through many, many phone calls to John.

Sincerely,

Sally Levitt
