Dear Joe:

I just wanted to drop you a note to thank you for all of your support and assistance with the recent sale of our business. You brought a qualified candidate to the table, and closed the sale in a timely manner. You also did an excellent job of working closely with our attorney and our accountant to prepare and coordinate all of the necessary documents.

Thank you again for your excellent work on our behalf. When we first met, you expressed confidence that a buyer would eventually be found. I was skeptical because of the number of false starts we had experienced, but you followed through and matched us up with an excellent candidate resulting in a win for everyone involved.

Yours very truly,
